- Convention
- Judging contests
- Livestock shows

- For more information:
- [www.stafford.ffa.org](http://www.stafford.ffa.org)

**INSPIRE\* EQUIP \* IMAGINE**

Students **CAN** choose to exhibit livestock in FFA. This student sold her 3rd place rabbits for \$3000 at the Fort Bend County Fair. Students can also show at major livestock shows.

## Common Questions

**Do I have to raise an animal to be in FFA?**

Absolutely NOT! Even though FFA is based on agriculture you do not have to raise an animal. There are many other activities that you can do besides raising an animal, but we do encourage you to try it!

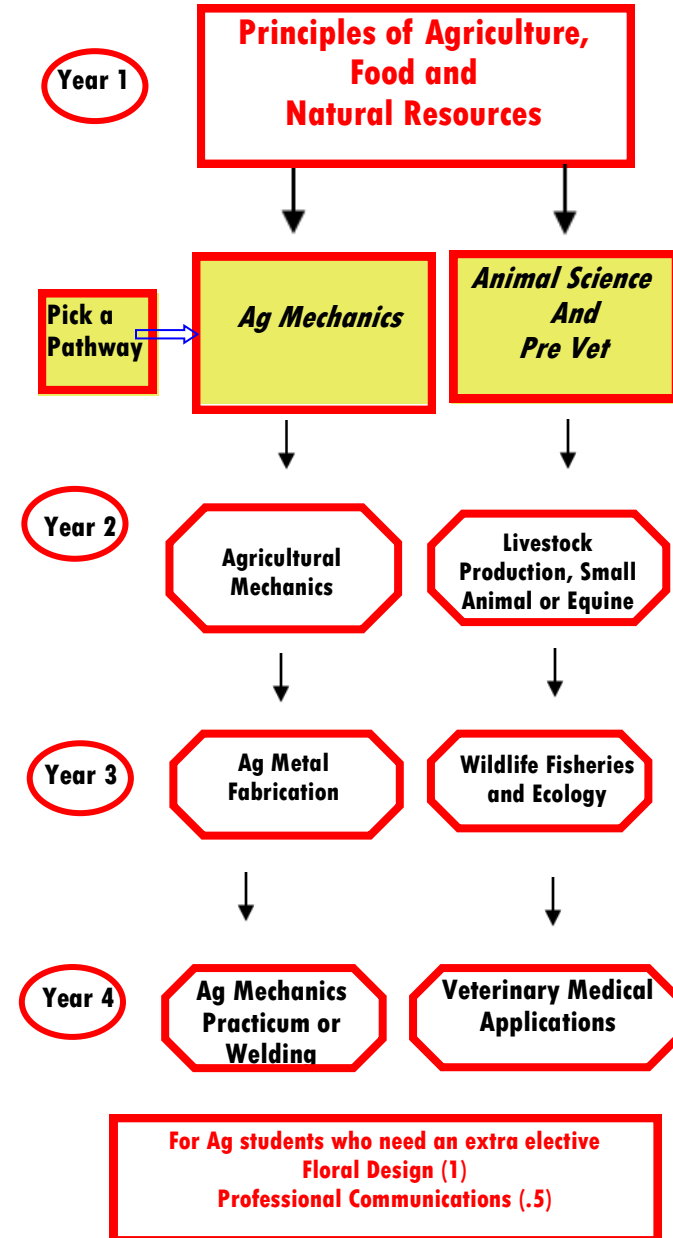

**Do I have to become a farmer if I'm in FFA?**

NO! Many people who participate in FFA go onto careers in fields other than agriculture such as engineering, medicine and law. FFA excels in building students character and employability.

**Can I be in FFA if I am in other activities like band or athletics?**

ABSOLUTELY!! The great thing about FFA is that you get to pick and choose the activities that you want to participate in. It makes it easy for students to balance their schedules with other activities so that students can get the most out of their high school experience.

## Agriculture, Food, and Natural Resources Endorsement: Business and Industry

### Classes

Principles of Agriculture, Food and Natural Resources  
Livestock Production  
Wildlife and Fisheries Management
